

2020 FRINGE SPONSORSHIP LEVELS

Become a member of the Fringe Family by sponsoring the 2020 festival!

Because the Tampa International Fringe Festival (TiFf) returns 100% of base ticket sales directly back to artists, we rely on outside funding from grants, individual donors, and sponsors. Your sponsorship enables us to continue producing outstanding

events and shows your support for over 30 performing companies who employ more than 100 artists. TiFf's core goal is to put artists first — our patrons believe in our mission and actively support our sponsors. When you become a TiFf sponsor, you join

the fringe family!

To become a sponsor of the 2020 Tampa International Fringe Festival, contact Trish Parry, festival producer, at trish@tampafringe.org or visit the sponsor page of our website.
