

# SPONSOR A COMMUNITY TICKET

The Tampa Fringe loves supporting artists, but we also LOVE supporting our community. We are always trying to find ways to hook up those in need in the community. Consider sponsoring one of the following ticket subsidy programs!

## FRINGE VETTIX PROGRAM | \$1000

Who doesn't deserve a break more to go and check out some art? By sponsoring this program, your donated funds will go directly towards subsidizing tickets to the fringe for active duty military, veterans, and their families. Fringe in turn will fund all the ticketing fees. So by sponsoring the Fringe Vettix Program, you get to support both the performing artists AND the military. It's a win-win!

## KIDS FRINGE | \$1000

Each year we create a special festival just for kiddos, and we want all children to be able to participate. To that end, Fringe makes entry FREE for children whose parents carry a SNAP, WIC, Foster, or Ad Litem status. By sponsoring this program, you help make this program grow further and further, showing kids at a formative age that they too can be a part of the arts community.

Sponsoring either of these programs entitles you to Silver Level benefits, as well as your company logo on related materials (tickets, coupons, wristbands, etc).
